### *The Sun Rolls Down*

#### **Verse 1**

The sun rolls down the distant west,  
Soft twilight steals abroad  
To welcome in the day of rest,  
The Sabbath of the Lord

#### **Verse 2**

This holy day let us begin  
With songs of praise to God  
Who pardons all our guilt and sin  
Through Jesus' precious blood.

#### **Verse 3**

Now in this tranquil hour we lay  
All worldly cares aside,  
And hallow God's most holy day,  
Though friends or foes may childe.

#### **Verse 4**

'Tis not to seek the world's applause  
That we from labor rest;  
We strive to keep God's holy laws,  
And He these moments blessed.
