The lack of heart knocks the bottom out of praying and makes it empty. Heart, soul, and life must be in our praying; the heavens must feel the force of our crying in order to have sympathy for our bitter and needy state. A need that oppresses us, and has no relief but in our crying to God, must be voiced through praying. E.M. Bounds, Prayerless Praying.</p> 		

Prayer and Fasting every Tuesday sunset to Wednesday sunset for leaders, officers and world-wide church
