Eternity can never fathom the depth of love revealed in the cross of Calvary. It was there that the infinite love of Christ and the unbounded selfishness of Satan stood face to face. The entire system of Judaism, with its types and symbols, was a shadow of the cross, extending from Calvary back to the gate of Eden, and contained a compacted prophecy of the gospel. "In every sacrifice, Christ's death was shown. In every cloud of incense His righteousness ascended. By every jubilee trumpet His name was sounded. In the awful mystery of the holy of holies His glory dwelt." Stephen N. Haskell, *The Cross and its Shadow*, p. 9
