Roger Bernard & admin; <b>NEC Youth Media Institute</b>	<b>The Harvest Is Great</b> —The solemn, sacred message of warning must be proclaimed in the most difficult fields and in the most sinful cities, in every place where the light of the great threefold gospel message has not yet dawned. Everyone is to hear the last call to the marriage supper of the Lamb.... <b>A Hundred Workers Where Now Is One</b> —Time is short. Workers for Christ are needed everywhere. There should be one hundred earnest, faithful laborers in home and foreign mission fields where now there is one. The highways and the byways are yet unworked. Urgent inducements should be held out to those who ought now to be engaged in missionary work for the Master. Evangelism, p. 21.3}
