**October is Pioneer Month:** "We have nothing to fear for the future, except as we shall forget the way the Lord has led us, and his teaching in our past history. We are now a strong people, if we will put our trust in the Lord; for we are handling the mighty truths of the word of God. We have everything to be thankful for. If we walk in the light as it shines upon us from the living oracles of God, we shall have large responsibilities, corresponding to the great light given us of God. We have many duties to perform, because we have been made the depositaries of sacred truth to be given to the world in all its beauty and glory. We are debtors to God to use every advantage he has entrusted to us to beautify the truth of holiness of character, and to send the message of warning and of comfort, of hope and of love, to those who are in the darkness of error and sin." *Ellen G. White, General Conference Daily Bulletin, February 20, 1899*
